# Membership Overview

EBII membership is designed for organizations operating at the intersection of government, finance, policy, and international markets. Members gain access to strategic insights, executive-level convenings, and institutional engagement opportunities across EBII's global network.

## EBII Signature Membership

Designed for startups and smaller organisations seeking introductory access to EBII's insights and network. Members gain access to industry perspectives, select EBII activities, and one general admission ticket to the African Leaders & Partners (ALP) Summit.

**Ideal for startups, emerging organizations, and embassy-linked initiatives entering EBII's network.**

Focused on initial access to insights, networks, and market exposure.

## EBII Advantage Membership

For organisations seeking broader access and more active participation within EBII's institutional engagement platforms. This tier includes access to market, industry, and geopolitical reports, participation in EBII gatherings, enhanced visibility, and eligibility for project-based advisory engagements at preferential member rates. Members receive two general admission tickets to the African Leaders & Partners Summit.

**Designed for mid-sized organizations and embassies engaging with investors, industry leaders, and policy stakeholders.**

Enables structured engagement, visibility, and participation in investor and policy ecosystems.

## EBII Elite Membership

A premium tier for leading institutions, governments, and organisations seeking direct engagement with EBII's leadership network. Includes VIP access to EBII gatherings, premium platform visibility, and one annual strategic initiative or engagement with EBII. Members also receive two VIP seats at the African Leaders & Partners Summit.

**For institutions and embassies seeking high-impact engagement, investment promotion visibility, and direct access to senior decision-makers.**

Designed to drive strategic outcomes, influence, and investment opportunities.
