Membership Overview

EBII membership is designed for organizations operating at the intersection of government, finance, policy, and international markets. Members gain access to strategic insights, executive-level convenings, and institutional engagement opportunities across EBII's global network.

EBII Signature Membership

Designed for startups and smaller organisations seeking introductory access to EBII's insights and network. Members gain access to industry perspectives, select EBII activities, and one general admission ticket to the African Leaders & Partners (ALP) Summit.

Ideal for startups, emerging organizations, and embassy-linked initiatives entering EBII's network.

Focused on initial access to insights, networks, and market exposure.

EBII Advantage Membership

For organisations seeking broader access and more active participation within EBII's institutional engagement platforms. This tier includes access to market, industry, and geopolitical reports, participation in EBII gatherings, enhanced visibility, and eligibility for project-based advisory engagements at preferential member rates. Members receive two general admission tickets to the African Leaders & Partners Summit.

Designed for mid-sized organizations and embassies engaging with investors, industry leaders, and policy stakeholders.

Enables structured engagement, visibility, and participation in investor and policy ecosystems.

EBII Elite Membership

A premium, application-based tier for leading institutions, governments, embassies, and organizations seeking deeper engagement with EBII's insights, convenings, leadership, and strategic advisory capabilities.

Membership includes VIP access to select EBII gatherings, premium platform visibility, two VIP seats at the African Leaders & Partners Summit, scheduled engagement with EBII senior leadership, and One annual strategic consultation and engagement-planning session of up to three hours.

Elite members are also eligible to commission project-based strategic advisory and engagement support at preferential member rates. All additional work is separately scoped and agreed.

Membership Terms

Membership fees cover only the benefits expressly stated for the applicable tier. Bespoke advisory, stakeholder engagement, outreach, representation, programme development, and project services are separately scoped and charged unless expressly included.

Membership does not guarantee meetings, introductions, government access, investment, funding, policy action, or any particular outcome. All engagements are subject to due diligence, applicable legal and regulatory requirements, stakeholder availability, and mutual agreement.

Membership is valid for 12 months from activation. All fees are stated in U.S. dollars.
